THE BEST PLACE FOR ENZYME TECHNOLOGY

<http://www.beachesvaradero.com>

The Organizing Committee has selected this fascinating place for RELATENZ'2007. Located in one of the Caribbean's most famous beaches, Beaches Varadero Hotel will be a wonderful place for lectures, posters and the exchange of ideas about enzymes.

Voted World's Best Family All-Inclusives year after year, Beaches Varadero continues in the Sandals tradition of providing the most comprehensive vacation experience ever, where you're free to enjoy the best of everything. And everything's included from fabulous gourmet meals, anytime snacks and premium brand drinks, to exciting land and watersports, luxurious accommodations, even tipping.

Enjoy Beaches Varadero Hotel during RELATENZ'2007!!!
